16th Annual Tournament 2010

On behalf of Flitwick Eagles I would like to invite your team to our Annual Pre-season Tournament. Now in its 16th year, the event provides an excellent opportunity for teams to prepare for the coming season. The tournament provides competitions in the same format that teams will play in their leagues during the year ahead.

The tournament benefits from the appointment of qualified referees for matches, covers a broad range of standards and uses the excellent facilities of Redborne College. There will be hot and cold refreshments and full medical cover over the two days.

All teams will play a minimum of one hour of football. The winning team in each section will receive a trophy. A medal will be presented to all players in the winning and runner-up squads.

Flitwick Eagles are running Girls competitions in five age groups. We are hoping to build on the success of last season's event. We were delighted with the spirit and skill on show throughout the competition.

The entry fee which is non-refundable, is £28 per 7-a-side team and £38 per 11-a-side team.
