

## FLITWICK EAGLES MATCH DAY PARKING AT DOOLITTLE MILL

Unfortunately there is **limited parking** at the **Flitwick Football Centre** on match days.

**NOTE :** Parking at the football centre is limited to the staff; groundsmen; the match day officials; the managers and coaches of the home / away teams who have equipment to carry; and elderly and/or disabled attendees. Typically there is little or no spectator parking on busy match days, but we are constantly trying to improve this situation. Please drive straight to **Doolittle Mill**, park up and walk back to centre, it's only a couple of minutes walk.

**Flitwick Eagles Match Day Parking** is at **Doolittle Mill** (next to Unit 1, Doolittle Mill, off Froghall Rd, MK45 2ND) near the A507 roundabout. **NOTE : THERE IS NO PARKING AT DOOLITTLE YARD OPPOSITE. THIS IS PRIVATE.**

**PLEASE DO NOT TRY PARK ON THE ROADS NEAR THE FOOTBALL CENTRE**, as this causes hazards, leads to traffic congestion and inconveniences the residents. Parking at **Doolittle Mill** is free, easy, safe and is only a couple of hundred metres walk away. **Please use the FREE off road parking provided by Flitwick Eagles.**

From Doolittle Mill walk back towards the main roundabout, then passed the Shell garage and down to the pedestrian crossing where it is safe to cross, then enter the football centre via the pedestrian gate.

**There are full Cafe facilities at the football centre, so you can get a coffee, drink, breakfast, lunch, or a snack there. We also have a licensed bar from midday and show premiere league games on BT Sport HD.**

**NOTE:** In accordance with the FA Guidelines on safeguarding children, **DOGS ARE NOT PERMITTED AT THE CENTRE**, unless they are assistance dogs. So to avoid disappointment, **please do not bring a dog.**

***We hope to increase parking over the next couple of years, but in the meantime, we ask for your cooperation to park in the designated free parking areas and not in the neighbouring roads. Thank you.***
